

Animal Feed Management System Policy

*The orientation and efforts of all, led by the General Directorate of **QUALIRISO**, aim to achieve:*

1. *Continuously seek the most appropriate practices to ensure the production of products that comply with the requirements of the GMP+ standard, the applicable legal, internal and customer requirements regarding food safety, ensuring communication throughout the chain (internal and external).*
2. *Deliver customer satisfaction by exceeding their expectations.*
3. *Internally foster a culture of food safety for all employees, ensuring everyone's motivation and involvement, as well as the development of their skills.*
4. *Trigger actions aimed at ensuring the continuous improvement of processes, through the analysis and processing of data generated by the management system.*

Responsible:

A handwritten signature in black ink, appearing to be 'M. T. ...', written over a horizontal line.
